## FOREWORD

Desirous of perpetuating our times together in Handley High School, your Greyhound staff for 1949 has earnestly tried to bring you a graphic record in this yearbook.

For the book we have chosen the theme of sports, believing that it will reflect our team's successes as well as of our student-body in good sportsmanship, as manifested by trophies in our case.

It is our hope that with the passing years you will find increasing pleasure in your yearbook, a book created to mirror the individual personalities of the faculty and of the student body of Handley High School.

## 1948 FOOTBALL

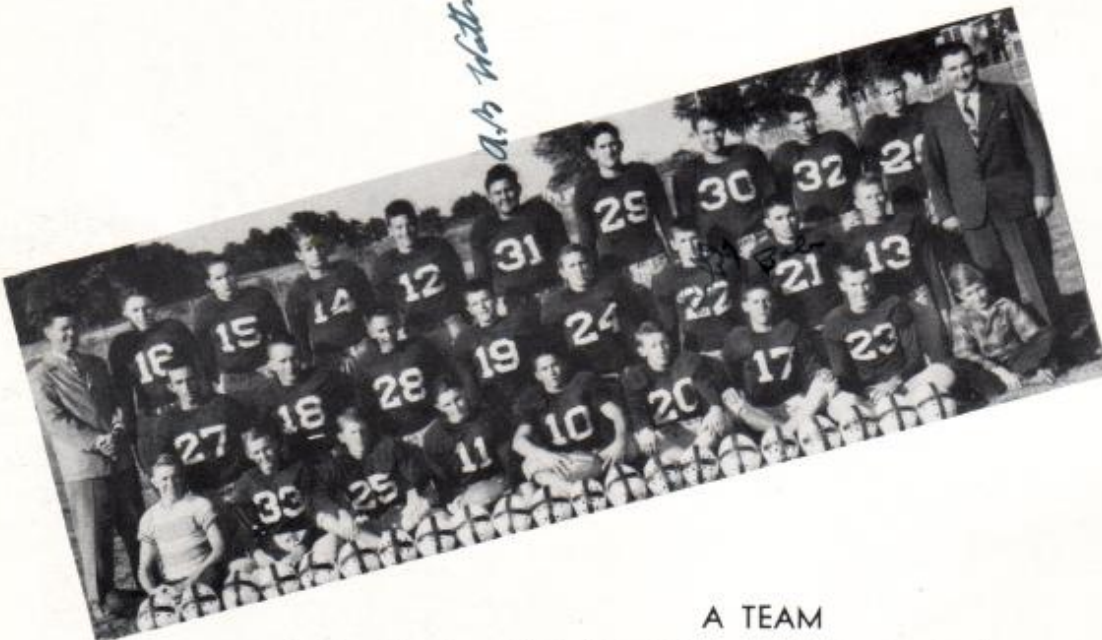

COACH HARRIS

Coach Harris came to Handley in the fall of 1944 and in 1945 guided Handley to a district championship. During the next two seasons under coach's leadership, Handley's football team won 14 games while losing only 4.

As August 16th rolled around last fall Coach Marvin Harris faced one of the most inexperienced group of boys he had encountered in his career. He tackled this problem with his usual vigor and confidence. During the early part of the season Handley's chances for a championship looked very slim indeed. Again and again Coach Harris reviewed the mistakes and drilled the team on how to correct their errors. Then at last the team began to work as a unit effectively. Opponents began to fall and Handley and Coach Harris won another District Championship.

Coach Marvin Harris has not only won football championships, but through his cheerfulness and thoughtfulness has won many friends.

We are proud of Coach Harris and his success.

A TEAM

First Row—Pete Sears, Charles Smith, Bobby Smith, Dick Caruthers, Carroll Moore, Joel Smith, Ralph Throne, Clifford Pope, Arthur Allen;

Second Row—Tom Brewer, Jack Drinkard, Dale Reynolds, Robert Hill, Royce Williams, Bobby Hodges, Bobby Gosney, Jack Mattiza, Mr. Scarborough.

Third Row—Coach Harris, Uel Clanton, Bill Burns, Bobby Osborn, Marcus Bryant, A. B. Watts, Kenneth Moore, Claude Parker, Boyd Austin, Clifford Polk.

PETE SEARS  
MANAGER

To be a football manager of Handley High School, one must be dependable, honest, have a good personality, and be a good worker. Because our senior manager this year was all of these and more too, we are really going to be at a loss without him. Our best wishes go with Pete and his pleasant personality will make him a success.

Coach George Mitcham starts his football coaching career at Handley High. He has taken a load from Coach Harris' shoulders by taking over the B squad and helping with the A squad backfield. Coach Mitcham did the scouting against Handley's foes and brought back the necessary information for future use and planning. Some of the boys who played on the B squad will make first string material next fall. Coach Mitcham's knowledge about football and his unusual ability with the boys, will make him a great football coach. He coached the B basketball team through a good season although he was coaching Junior High School boys. Handley will look forward to Coach Mitcham's further help as a coach of our boys, Junior and Senior.

ARTHUR ALLEN  
MANAGER

The 1948 football season not only started with some new boys for the team but a new manager also. Arthur Allen, a tenth grade student, filled the spot left vacant by Jack Storey in a very inspiring way. Arthur Allen, who has two more years of eligibility, will be a great help to the coaches. All the luck to Arthur in his future years as manager of the Handley Greyhounds.

# THE 1948 FOOTBALL SEASON AT A GLANCE

By PETE SEARS  
Sports Editor

The Handley Greyhounds had a very successful Football Season, winning 8 and losing 2.

## HANDLEY VS. LANERI 6-0

The first game of the season was against the Laneri Micks and it was a very thrilling game. The game went into the fourth quarter with the score 0-0 and then Tom Brewer, subbing for Bill Burns, threw a pass to Clifford Pope, who gathered in the leather and went over for the touchdown. The game ended 6-0 in favor of Handley.

## HANDLEY VS. PLEASANT GROVE 14-19

The second game of the season was a heartbreaker. We have the game in the bag but let it get away, in the last 2 minutes Handley scores on touchdowns by Osborn and Polk.

## HANDLEY VS. GRANBURY 35-0

Handley had an easy time with the Granbury Pirates, as the Greyhounds rolled over the Pirates 35-0 in the first District game of the year. The scoring was done by Osborn, Smith, Polk, and C. Moore. Osborn added all but two of the extra points, but Uel Clanton was there to help as he stopped a Pirate behind the goal for two more points. The Greyhound line sparked by Hodges K. Moore, and Drinkard, held the hapless Pirates to only 27 yards running.

## HANDLEY VS. BIRDVILLE 19-6

Handley, inspired by their win over Granbury, next played a rough and rugged Birdville team

which was thought to be one of the best teams in the district. The Buffs could not keep the passing arm of Osborn still as he passed to Clifford Polk for two touchdowns before the Buffaloes knew what had happened. Osborn also carried over for one of the three touchdowns. Birdville scored in the fourth quarter and the game ended 19-6 in favor of Handley.

## HANDLEY VS. NOCONA 13-0

Handley played one of their best games of the year against the Nocona Indians. With a patched up backfield, the Hounds beat the Indians 13-0. After steady gains by Osborn, Smith, and Pope, Osborn threw a touchdown pass to Clifford Polk. The other touchdown was made by Bob Gosney in the last 15 seconds of the game when he intercepted a pass and ran untouched 37 yards. The Greyhound line played outstanding ball against a heavier line.

## HANDLEY VS. ARLINGTON 13-7

Handley defeated Arlington 13-7 in one of the best played ball games of the year. Arlington made the first touchdown of the ball game. Then on the return kick off, Bill Burns took a hand-off from Tom Brewer and scampered 74 yards for a touchdown. Try for extra point was missed with the half ending 7-6 in favor of the Colts. In the second half Handley's offense swamped the Colts and Handley drove down to the 14 yard line where Osborn passed to Sub. End, Ralph Throne, who caught the ball, after he had slipped down. "Nice wasn't it?"

## HANDLEY VS. IRVING 20-14

Irving, last year's Regional Champs, suffered their first defeat in two years when the bites of the Greyhounds gnawed a surprising upset by beating the Tigers 20-14. Bob Osborn and Joel Smith made touchdowns in the first half and in the second Ralph Throne caught one of Osborn's passes for the third touchdown. The whole line looked wonderful on offense and defense.

## HANDLEY VS. JACKSBORO 21-0

The Handley Greyhounds, feeling pretty high after the win over the Irving Tigers, decided that they would take it out on the Jacksboro Tigers, winning the game 21-0, on touchdowns by Osborn, Burns, and Polk.

## HANDLEY VS. DIAMOND HILL 0-0

Handley always looks forward to the game with the Diamond Hill Eagles. The Eagles were favored in the Championship game, but the Greyhounds had other ideas.

The game was played to a 0-0 deadlock, and the tie gave Handley the Championship. The Greyhounds were not able to keep the ball in their possession long enough to score, but neither were the Eagles. A see-saw battle ended in the tie, giving Handley a well-earned Championship.

## HANDLEY VS. IRVING 6-19 Bi-district

Handley, having beaten the Irving Tigers once, left their scoring clothes at home as the Tigers beat the Greyhounds 19-6 for the Bi-district title. This closed out the Greyhounds' 1848 schedule, winning 8 and losing 2. May the 1949 Greyhounds have as much success!

As the Seniors of 1949 made their Annual voyage, an unusual incident happened when Joel Smith, our most dignified Senior fell into a deep sleep and foresaw this future of his classmates.

GEORGE ADAMS, the captain of the ship, Queen Handley, enters the ship's lounge where the passengers are gathered. The first to meet his gaze is the distinguished Ambassador to Lower Slobberia, CHARLES COLLET, and his boot-shiner and valet, DAWYNE CARTER. As his eyes travel on, he encounters the lovely European ballet dancer, JO ANNE BRYANT, and her handsome, accomplished team-mate, RALPH THRONE, noted for his graceful pirouetting. Then who should he see snoozing in a corner, but the World's Heavyweight Boxing Champion, PETE SEARS.

At this moment he hears a sound and he looks around to see Mademoiselle PHYLLI SGOYHARD, the well-known Metropolitan Opera singer. Accompanying her on her world-tour is the prominent pianist, JOEL SMITH.

Captain Adams next sees Mrs. Bill McNeese, formerly DOROTHY SACHSE, who is traveling to meet her husband in China. Talking with her is the world renowned missionary, SUE HINSON. Sitting on the floor, counting up her batting averages, was JOYCE HOLMAN, internationally known slugger of the Panama Pink Sox. The next sight causes Captain Adams' heart to thump rapidly because it is his fiancée, the millionaire heiress, Miss WANDA Van McKNIGHT. As he goes to meet her, he stumbles over a knife belong to the intriguing mystery story novelist, ELIZABETH TALBOTT. He picks himself up and gazes into the eyes of the last of his prominent passengers, MISS BOBBIE WANSLEY, the wealthy owner of the 100 "Big Drip Carnation Grills," spread from Fort Worth to New York.

At this moment the dinner bell rang and Joel's dream immediately faded in anticipation of the last culinary delights aboard ship.
